## **Do my best:**

Stay in school.  
Be on time.

Come to school prepared.  
Have all my supplies.  
Pay attention in class.  
Listen to the teacher.  
Listen to how to do the work.  
Follow directions.  
Do everything the teacher tells me to do.  
Stay on task in class. Stay focused.  
Ignore distractions.  
Ignore disrespectful comments.  
Don't talk to people during class.

Participate.  
Don't interrupt.  
Work hard.  
Ask for help if needed.

Take notes.  
Write down everything the teacher tells you.

Finish all my work:  
Actually try.  
Work on assignments even when I don't want to.  
Turn in all my work on time.  
Turn in all my missing assignments in all my classes.  
Finish my work, go over it, and turn it in on time.

Turn in all my homework on time.

If I fail my goal, I won't stop trying.  
I'll never give up.  
I won't give up on myself.  
I'll keep doing my work.  
I'll take my time to do my work that I could get behind in.

Go to bed and wake up on time.
